50 YEARS OF SERVICE

For the past 50 years, the Orange County Sheriff's Harbor Patrol has been rescuing stranded boaters, helping disabled vessels, providing emergency first aid, fighting marine fires and most recently, supporting the anti-terrorism/anti-drug efforts of the U.S. Coast Guard, Customs and the Drug Enforcement Agency.

The Orange County Sheriff's Harbor Patrol is proud to provide law enforcement, marine fire protection and marine rescue services to Dana Point Harbor, Newport Harbor and Huntington/Sunset Harbor — plus 42 miles of continuous Orange County coastline extending more than three miles out to sea.

We stand ready to protect you, and your tax dollars, for another 50 years.
